A Resolution to Make All Residence Hall Association (RHA) Senate Meetings Paperless

WHEREAS the Residence Hall Association (RHA) is the representative body for all on-campus students, and

WHEREAS the RHA has shown a definitive interest in promoting sustainability through the creation of the Sustainability Committee (SCOMM) and through passing resolutions such as SCOMM001, and

WHEREAS it is unsustainable and unnecessary to print out a copy of the agenda and all resolutions for all senators, and

WHEREAS the RHA displays all resolutions on a projector screen during meetings,

THEREFORE BE IT RESOLVED that effective next RHA senate meeting, no paper copies of agendas and resolutions will be provided by the RHA, and

THEREFORE BE IT FURTHER RESOLVED that if there are special circumstances, a senator can be supplied with paper copies of bills by the RHA executive board, so as long as said senator notifies the board at least 24 hours in advance

THEREFORE BE IT FINALLY RESOLVED that senators are encouraged to bring copies of agendas and resolutions in electronic form.
